Smooth Bar Lifting Loops

Build Safe, Reliable and Enduring Structures with RSTEEL® Smooth Bar Lifting Loops

Designed and manufactured in accordance with EU Machinery Directive 2006/42/EC. Produced according to EN 1090-2 and CE Approved

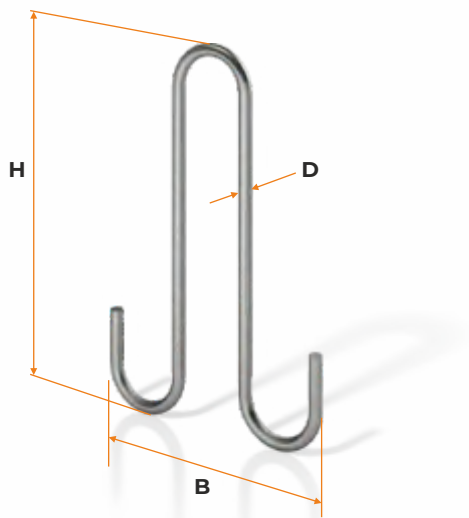

RSTEEL® Smooth Bar Lifting Loops

RSTEEL® Smooth Bar Lifting Loops meet the requirements for safe and efficient lifting and handling of walls, columns, beams and other pre-cast concrete elements. These are made of smooth bars.

RNA lifting loop

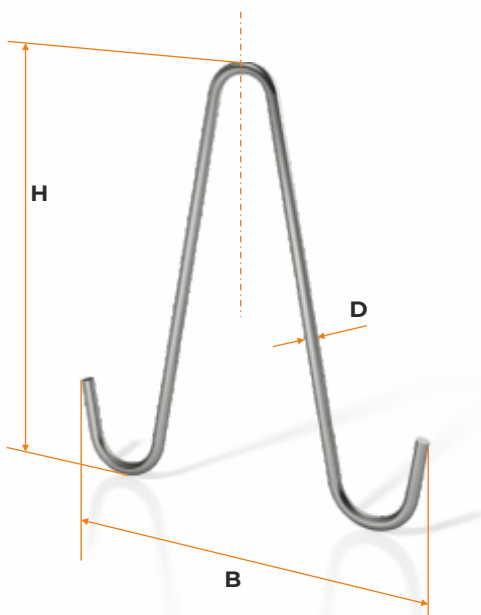

RNA lifting loops are designed for lifting of walls. They can also be used for lifting of columns and beams with appropriate bending.

Lifting Loop Type	D mm	H mm	B mm
RNA	6	250	180
RNA	8	300	180
RNA	10	300	190
RNA	12	300	210
RNA	14	300	210
RNA	16	300	210
RNA	20	300	320

RNB lifting loop

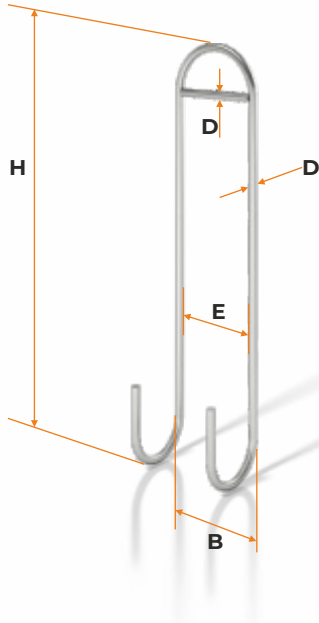

RNB lifting loops are designed for lifting of walls. They can also be used for lifting of columns and beams with appropriate bending.

Lifting Loop Type	D mm	H mm	B mm
RNB	12	820	640
RNB L	16	830	750
RNB	16	1060	880
RNB L	20	1045	930
RNB	20	1380	1085
RNB LX	25	1170	1080
RNB L	25	1370	1180
RNB	25	1660	1330
RNB L	32	1590	1570
RNB	32	2120	1710

RNE lifting loop

RNE lifting loops are lifting loops designed for lifting of sandwich walls.

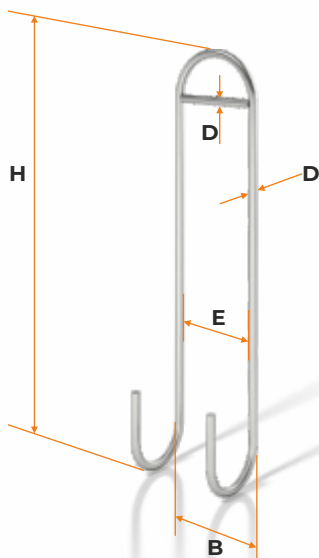

Lifting Loop Type	D mm	H mm	E* mm	B mm
RNE	12	800	E + 2D	
RNE L	16	810		
RNE	16	1050		
RNE L	20	1040		
RNE	20	1390		
RNE LX	25	1175		
RNE L	25	1375		
RNE	25	1675		
RNE L	32	1600		
RNE	32	2050		

* Custom E dimensions can be requested

RNER lifting loop

RNER lifting loops are designed for lifting of sandwich walls. RNER lifting loops are made of stainless steel.

Lifting Loop Type	D mm	H mm	E* mm	B mm
RNER	12	800	200 / 220 240 / 260 280 / 300	E + 2D
RNER	16	810		
RNER	20	1040		
RNER	25	1175		

* Custom E dimensions can be requested

RSTEEL® Lifting Loops Materials and Standards

About RSTEEL®

RSTEEL® is a leading provider of steel connections for precast and cast-in-situ construction around the globe.

With over three decades of our participation in huge projects, we don't compromise on quality or customer satisfaction and we create connections for a lifetime.

Our customer-oriented service, excellent and reliable network of suppliers plus our extensive product portfolio ensure that we are able to offer professional and flexible solutions for any kind of projects.

In our operations we comply with the ISO 9001 and 14001 standards

For other technical information kindly refer to technical manual available on RSTEEL® website.
